

N O R T H E A S T FREEDOM ALLIANCE

• CT • ME • MA • NH • NJ • NY • PA • RI • VT

■ HEALTH FREEDOM ■ DOMESTIC & FINANCIAL SECURITY ■ PERSONAL & CIVIL LIBERTIES

We are creating an alliance to foster better communication and collaboration amongst freedom-supporting groups, organizations, and businesses in the northeast region.

We believe that following just laws and protecting our God-given rights, as upheld by the U.S. Constitution, is the best way to maintain the health, safety, equality, civil rights, and liberties of our community members.

There is power in numbers, so let's share our expertise, knowledge, and wisdom so that we can help one another and preserve our way of life in the United States of America.

Please join us if . . .

You are a freedom-supporting group, organization, or business who would like to participate.

You are an individual interested in volunteering to help create the alliance.

Ready to join? Go to <https://bit.ly/NortheastFreedomAlliance> or scan the QR code. The sign up form is at the bottom of the page.

THE BENEFITS OF PARTICIPATING

■ Newsletter

Your freedom-supporting group or organization will be given a section of the digital newsletter to share important news, updates, and events.

■ Event Calendar

You can advertise (for free!) your freedom-focused events in the online event calendar. You will also have the opportunity to embed the calendar into your website.

■ Online Directory

List (for free!) your group, organization, and/or business in our upcoming online directory. Upgraded, paid listing options will be available. Businesses and organizations that support the Constitution deserve our support.

■ Blog

Submit your success stories so that we can all focus on and analyze what works and replicate these techniques.

■ Live Events

Various freedom groups in the northeast have been organizing multi-group gatherings so we can meet one another. The plan is to partner with the freedom groups that are holding these gatherings when possible, and provide speakers, tools, and resources that support organizational growth and efficiency.
