

Are you concerned about medical mandates?

**Are you being forced to choose between a medical procedure
and your livelihood or your education?**

Could you be fired for declining a medical intervention?

**Do you oppose turning away a customer
for exercising his own medical or religious choice?**

TAKE ACTION! Please call, email or write a letter and ask your state legislators to protect your fundamental right **to make choices about your own healthcare** without coercion or discrimination. **Ask them to CO-SPONSOR & SUPPORT:**

SD2109 An Act relative to bodily autonomy and family integrity

&

**HD2861 An Act affirming and protecting the constitutional right
to personal liberty**

These Bills would protect fundamental rights recognized in the US Constitution and The Constitution of the Commonwealth of Massachusetts, Declaration of Rights by:

- Affirming an individual's right to make personal decisions concerning medical treatments.
- Making it unlawful to terminate employment based solely on an employee's medical decisions.
- Ensuring equitable access to justice.
- Preventing discrimination against those who are medically vulnerable.
